Recycling and Roll
Off Services*

LAKE SHORE
Recycling Systems

SERVING CHICAGOLAND SINCE 2001

CHICAGOLAND'S PREMIER HAULER

Serving Chicagoland since 2001, Lakeshore Recycling Systems (LRS) provides recycling and waste diversion programs, affordable roll off container service and comprehensive waste removal to businesses and residential homeowners. Whether you're looking for a curbside pick up, conventional dumpster or roll off container, our recycling experts deliver outstanding service and reliability with the industry's most competitive rates.

GARBAGE SERVICES

Lakeshore Recycling Systems offers specific waste hauling options, tailored to serve the unique needs of all of our customers no matter how big or small.

Our hauling services range from once weekly, to 7 days a week service. Our container sizes include the following:

64 GALLON CARTS

96 GALLON CARTS

1YD—10YD CANS

6YD—42YD COMPACTORS

Please reach out to our Customer Service Center at 773 685 8811 to identify which option will work best for you, or to schedule a pickup today.

ROLL OFF CONTAINERS

Lakeshore Recycling Systems offers a full range of roll off containers. Our 24 hour dispatch team is on call to provide you with service on your terms. Our experienced service team will ensure that whether you need a 100yd tractor trailer, or a 20yd roll off box, your delivery will be prompt, your rates will be competitive and your service expectations will be exceeded.

Lakeshore Recycling Systems offers the following options for roll off containers and compactors:

SINGLE STREAM RECYCLING & WASTE DIVERSION SERVICES

We are proud to have been at the forefront of single stream recycling and waste diversion in Chicagoland. Lakeshore Recycling Systems neither owns nor operates any landfills which compels us to look for more efficient ways to reduce solid waste. By increasing the amount of recyclables we can recover from the garbage stream, we divert nearly 40% of the solid waste and over 75% C&D debris we take in at our IEPA certified Material Recovery Facilities (MRFs) to be redirected.

Single Stream recyclable items include:

- Glass Bottles & Jars
- Aluminum, Tin or Steel Cans & Foil
- Cardboard, Paper Towel Rolls
- Plastic Bottles, Containers & Tubs
- Plastics: #'s 1, 2, 3, 4, 5 & 7
- Junk Mail, Catalogs & Magazines
- Telephone Books

Non recyclable items include:

- Food and Liquid
- Contaminated Cardboard (i.e. pizza boxes)
- Styrofoam
- Wax Paper & Saran Wrap
- Broken Glass (windows)
- Plates & Dishes
- Electronics

Additional material accepted at our MRFs:

Predominantly Construction & Demolition (C&D) waste, including (but not limited to):

Stone	Drywall	Brick	Wood
Concrete	Dirt	Tires	E waste
Asphalt pavement	Asphalt shingles	Metal	Paper
Lumber	Railroad ties	Wire	Cardboard
Glass	Factor waste		

For a more detailed list of recyclable & non recyclable items, as well as which materials are accepted at each MRF, please visit us at our website.

ELECTRONIC WASTE

As of January 1st, 2011, disposing of electronic waste (E waste) in Illinois landfills is no longer permitted by law. Lakeshore Recycling Systems provides pickups for E waste as needed. We also accept E waste at our MRFs.

LANDSCAPE WASTE

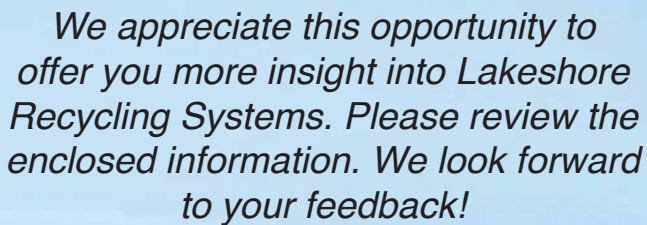

Like E waste, landscape waste (grass clippings, branches, shrubs, etc.) are no longer permitted by law in Illinois landfills. Lakeshore Recycling Systems offers several options for landscape waste pickups. Our most common programs are our 96 gallon cart service, or our subscription/sticker service. One of our Customer Service Representatives can assist in identifying what will work best for you.

BULBS, BALLASTS, & BATTERIES

Lakeshore Recycling Systems offers several different options for the proper disposal and, when applicable, recycling of bulbs, ballasts and batteries.

We appreciate this opportunity to offer you more insight into Lakeshore Recycling Systems. Please review the enclosed information. We look forward to your feedback!

OUR MISSION

Since 2001, Lakeshore Recycling Systems has been redefining how solid waste and recycling is collected. Every day, LRS typically moves 6,000 tons of solid waste and recyclables through our Material Recovery Facilities (MRFs). By utilizing the most sophisticated equipment, coupled with our experienced line workers, LRS is able to divert nearly 40% of the solid waste and over 75% construction and demolition debris we take in at our IEPA certified Material Recovery Facilities (MRFs) to be redirected for re-use or re-purposing.

Lakeshore Recycling Systems is the industry leader in providing innovative and environmentally responsible waste and recycling solutions. Our team delivers exceptional service and value through a relentless commitment to customer satisfaction and the preservation of the environment.
